

St Paul Apostle South Volunteer Code of Conduct – Within Learning Spaces

Introduction

St Paul Apostle South Primary School has established specific arrangements that provide guidance to volunteers who participate in the school's learning spaces. These guidelines ensure the establishment and maintenance of a safe and supportive environment for all students, staff members and volunteers attending.

Scope

The Volunteer Code of Conduct within learning spaces applies to all parents, guardians or volunteers who intend to support the learning within the school.

Definitions

Child connected work: Work authorised by the Principal, members of the Leadership Team, Classroom Teachers or School Board performed by an adult in the school environment, while children are present or are reasonably expected to be present.

Child Related Works: Work within one or more of the occupational fields defined where the contact with a child is unsupervised, direct and part of a person's duties.

Child Safety Code of Conduct: A code of conduct that establishes clear expectations for any person conducting related or child connected works. Any person wishing to work or volunteer in child related activities must acknowledge their understanding of the acceptable and unacceptable behaviours prior to being authorised to commence works.

Volunteer: Any non-paid individual who provides support in education, sporting, extra-curricular or school community activities at the school. Their assistance is provided under the direction and supervision of identified school representatives.

Working with Children's Check: Screens an applicant or cardholder's criminal record. If the Check identifies serious sexual, violent or drug offences, or adverse professional reports, the department assesses these to determine the suitability of the individual to pass the 'Check'.
